

# Public Open House

**Wednesday, May 30th**

**5:00pm to 8:00pm**

**Marda Loop Community Association**

**3130 - 16 St SW, Calgary, AB T2T 4G7**

You are invited to attend an information meeting to learn about a new development proposed for your neighbourhood.

Located at 1710 - 36th Avenue SW, the proposed development comprises 48 stacked townhomes, with surface level garages and guest parking provided on site. This is congruent with both the current site zoning and permitted density. The overall design of the project respects the unique Marda Loop community aesthetic.

Representatives from the project developer (Vericon Communities) and architect (Casola Koppe Architects) will be on hand to provide additional information and answer your questions.
