

Marda Loop Communities Association

## **Please See the Updated Guidelines for Tennis Court Usage Due to Covid-19:**

- **If you have any symptoms (fever, cough, fatigue, etc), stay home and isolate.**
- **Before entering courts, you must have your own bottle of sanitizer and sanitize hands. Do so again after touching keypad and entering courts. Repeat steps when leaving.**
- **Wash your hands before and after using the tennis courts ASAP.**
- **Keep your distance, stay away from others. Leave at least 2 metres of space between players at all times. See signs for reference.**
- **ONLY Single Matches are acceptable at this time. Doubles Tennis is NOT permitted. We have two courts, so only two people per court is allowed at a time.**
- **If the tennis court is crowded, head to another court.**
- **Each player should bring differently coloured tennis balls to the court. Only pick up/touch your own colours; don't touch your opponent's colours.**
- **At the end of your match, collect your own coloured balls and wash your hands/sanitize.**
- **Don't shake hands after the match.**
- **Shared equipment is PROHIBITED. This unfortunately includes our Pickleball gear.**

**\*Must Be an MLCA Member to Use the Courts. Email [gm@mardaloop.com](mailto:gm@mardaloop.com) to obtain Tennis Court Code\***
